

*The establishment of an AOD and Mental Health
Community of Practice in Great Southern WA*

**Palmerston Association presents:
Recognising and Responding To Amphetamine
Intoxication/Toxicity**

**Monday 21st May 2018
10:00am - 1:00pm
KATANNING LIBRARY COMMUNITY ROOM
16 Austral Terrace, Katanning**

&

**Wednesday 30th May 2018
9:30am - 12:30pm
UWA ALBANY
35 Stirling Terrace, Albany**

The aim of this training is to increase frontline workers' and first responders' knowledge, competence and confidence in managing amphetamine intoxication or toxicity and overdose. This includes understanding the risk factors for intoxication, toxicity and overdose; harm reduction strategies, and effective non-medical management of intoxication, toxicity and overdose.
