# Chorus NDIS Fee Schedule

All pricing outlined below is in line with the NDIS Price guide as set by the NDIA

## About this Fee schedule

This fee schedule is to support to customers in relation to which services Chorus provides under the NDIS Program. All prices outlined in this Fee Schedule are in line and accordance with the NDIS Price Guide set out by the NDIA.

Chorus charges for any non-face to face time that is in association in your supports which outlined in your NDIS Service Agreement with Chorus.

## What is TTP Pricing

A number of supports in the Assistance with Daily Living Support Category and the Social, Economic and Community Participation Support Category are in the scope of the Temporary Transformation Payment (TTP).

The Temporary Transformation Payment (TTP) is an additional cost providers can charge as they continue to transition to working under the NDIS. The TTP is a charge on top of the base rate price limit for attendant care and community and centre-based activities.

### **How does TTP work?**

Under each support item a loading of 7.5 % has been added. This loading will reduce by 1.5% each year. Every support item that the TTP applies to (attendant care and community access) has two support items and two price limits:

The non-TTP items should be used by providers who are not compliant with the TTP conditions. The TTP items should be used by providers who are compliant with the TTP conditions.

**Chorus Business Rule:** It is a recommendation that when we need to recruit staff to provide this service, we will utilise TTP Pricing as per the most recent pricing guide indicated by the NDIS.
