Means testing: Unless you are a full Pensioner, you will be asked to pay an Income Tested Care Fee towards your care. The Department of Human Services (Centrelink) will assess your income and notify you and Chorus how much you need to pay. Your income is reviewed by Centrelink quarterly. Providers cannot waive or discount this fee.

PLEASE NOTE: Not all services available in all areas. Where services are provided by external agencies, pricing for these services will depend on the services you choose, your individual needs and the pricing policy of the external agency. This fee schedule is correct at time of printing and is subject to change at any time. The above fees may be varied once we have assessed the level of service you require. All prices are GST exclusive.
